Mark every step of the process as you do them. That will help you to keep track of everything you need to do. Include additional steps if necessary.

- Pick your topic by answering the Step 1 questions.
- Create your [Business Account](#)
- Upload your cover & profile pictures.
- Create the about section.
- Create several circles targeting different niches in your market.
- Share your Welcome post on every one of the circles.
- Get followers by adding people and following pages.
- Get followers by joining communities and following their members.
- Get followers by commenting on relevant pages.
- Post something of value in every circle.
- Check comments from your audience and share your opinion.
- Answer all of the questions they ask; don't leave them alone.
